

F.S. PAINT

acrylic colors

FEDERAL Standard

New Size Due Apr/May

Kcolors acrylics are the most advanced airbrush modelling colours available today. Water based ready to airbrush from the bottle, however they can be reduced up to 70% using our reducer and blenders. Built from the 595C & RAL colour chart to a matt finish. Protect with a clearcoat.

SIZE
17ml

PRICE (Inc vat): £3.49
